

5th International workshop molecular andrology

1st Symposium of the clinical research unit 181

© Springer-Verlag 2009

Stem cells – Somatic cells – Germ cells

Start: Friday May 8, 2009, 14 h 00

End: Sunday May 10, 2009, ~ 13 h 00

Location: Old Castle, Giessen, Germany

Website: www.med.uni-giessen.de/molandrol2009

Registration deadline: Abstract submission deadline for the meeting is 15 March 2009.

For enquiries and in case of technical problems with the registration, please contact: andreas.meinhardt@anatomie.med.uni-giessen.de

Registration fees: Registration fee for the molecular andrology workshop is €150, including all meals, opening reception on Friday and the abstract book. Students pay €50 (a letter confirming student status should be emailed to Pr Meinhardt). The fee for the conference banquet is €30.

Programme: Invited speakers include:

Stem cells

- Wolfgang Engel (Göttingen): *News about spermatogonial stem cells;*
- Dirk de Rooij (Amsterdam, The Netherlands): *The spermatogonial stem cell niche;*
- Stefan Schlatt (Münster, Germany): *Germ cell transplantation;*
- Marie-Claude Hofmann (Urbana, USA): *Regulation of spermatogonial stem cells homing and retention.*

Short oral presentations from selected abstracts

Somatic cells

- Dolores Mruk (New York, USA): *Anchoring junction dynamics: revisiting and revising the current concept of cell adhesion in the testis;*
- Kenneth Tung (Charlottesville, USA): *Regulation of epididymo-orchitis;*
- Mark Hedger (Melbourne, Australia): *The Sertoli cell in testicular inflammatory disease and immunoregulation;*
- Blanche Capel (Durham, USA): *Patterning the testis;*
- Jannette Dufour (Lubbock, USA): *Sertoli cells: immune privilege and role in transplantation.*

Short oral presentations from selected abstracts

Germ cells

- Stephan Krawetz (Detroit, USA): *Systems analysis reveals novel activities of male germ cells;*
- Sophie Rousseaux (Grenoble, France): *Re-organizers of the male genome: functions and aberrations;*
- Ewa Rajpert de Meyts (Copenhagen, Denmark): *Pathogenesis of germ cell neoplasia: lessons from studies of the pre-invasive carcinoma in situ testis;*
- Tim Karr (Tempe, USA): *Sperm proteomes as tools for the study of fertility;*
- Martin Matzuk (Houston, USA): *Study of fertility relevant genes in knock-out models.*

Short oral presentations from selected abstracts

AMA
Association méditerranéenne d'andrologie
Andrology Mediterranean Association
8th Annual Meeting – Taba, Red Sea Riviera
(04-06 June 2009)

Preliminary program:

Topics

- male erectile dysfunction;
- female sexual dysfunction;
- couple infertility;
- aging male and hormone replacement therapy;
- PDE5 inhibitors;
- sexual and aesthetic surgery.

Thursday 04 June 09

Registration, opening ceremony, welcome reception

Friday 05 June 09

- | | |
|---|--|
| • 09 h 00–11 h 00: 1 st session; | <i>Erectile dysfunction, oral therapy;</i> |
| • 11 h 00–11 h 30: Break; | |
| • 11 h 30–13 h 00: 2 nd session; | <i>Aging male;</i> |
| • 14 h 30–16 h 00: 3 rd Session; | <i>PDE5;</i> |
| • 16 h 00–16 h 30: Break; | |
| • 16 h 30–18 h 00: 4 th session; | <i>Sexual surgery;</i> |
| • 20 h 00–23 h 30: Gala dinner. | |

Saturday 06 June 09

- 09 h 00–10 h 30: 5th session;
- 10 h 30–11 h 00: Break;
- 11 h 00–12 h 00: 6th session;
- 12 h 00–13 h 00: 7th session: *Male infertility;*
- 13 h 00–13 h 30: Closing ceremony – See you next year in 9th AMA.

30 March 09 last date for abstract submission

Congrès salf 2009 Lille *Préprogramme scientifique*

9 décembre 2009

Formation précongrès : *initiation à l'andrologie*
éjaculation et fertilité : de la physiologie à l'exploration des troubles

10–12 décembre 2009

Congrès

10 décembre 2009

Génétique et AMP

- Place de la génétique en AMP ;
- vision de l'école lilloise : l'agénésie bilatérale des canaux déférents ;
- risque et génétique.

11 décembre 2009

Biologie et imagerie

- Biologie :
 - les spermes de l'extrême : bases fondamentales, diagnostic et prise en charge ;
 - conférence d'actualité : protéomique : apport dans la fertilité masculine ;
- imagerie et fertilité masculine.

12 décembre 2009

Cancer masculin et sexualité

- Troubles organiques
- Retentissement clinicobiologique du cancer

Conférence-débat grand public *Infertilité masculine* le 9 décembre 2009
(fin d'après-midi début de soirée)
